

REMOTE WORK POLICY

Effective Date: 07/25/2025

Version: 1.1

Scope of Application: All full-time employees of the Institute of Construction and Urban Economic Research

1. Purpose

This policy is established to:

- Provide employees with greater flexibility to balance work and personal life.
 - Optimize performance by reducing commute time and enhancing focus.
 - Maintain discipline and work quality when working outside the office.
-

2. Scope

- **Applies to:** Full-time employees and those with long-term contracts (> 6 months).
 - **Not applicable to:** Temporary employees or interns, unless specifically approved by the Board of Directors.
-

3. Definitions

- **Remote Work:** Work performed outside the company's main office, including at home, co-working spaces, or other approved locations.
 - **Hybrid Work:** A combination of working at the office and remotely.
 - **Online Attendance System:** Internal platforms or applications (e.g., Base.vn, Tanca, AMIS HRM) used to track working hours.
-

4. Conditions & Requirements

CRITERIA	MINIMUM REQUIREMENT
LENGTH OF SERVICE	≥ 3 months
WORK PERFORMANCE	Achieve $\geq 90\%$ KPI for 2 consecutive quarters
PERSONAL INFRASTRUCTURE	Suitable computer configuration, internet speed ≥ 50 Mbps
WORKSPACE	Quiet, well-lit, and secure for data confidentiality

5. Remote Work Application Process

Step 1: Submit a request via the HR Portal (or email to HR) at least 5 working days in advance.

Step 2: Direct manager evaluates performance and checks eligibility.

Step 3: HR reviews infrastructure and security compliance.

Step 4: Board of Directors approves and notifies via written document/email.

Step 5: Activate account on the online attendance system.

6. Remote Work Requirements

- Be online during standard hours (Vietnam time: 8:30 AM – 5:30 PM, unless adjusted).
- Enable camera during Zoom/Google Meet meetings.
- Submit daily work updates on project management platforms (e.g., Trello, Asana, Jira).
- Comply with data confidentiality rules and avoid using unsecured public networks.

7. Tools & Support

- **Online Meetings:** Zoom, Google Meet, MS Teams.
- **Project Management:** Trello, Jira, Base.vn.
- **Attendance Tracking:** Base Time, Tanca.
- **Secure VPN:** NordVPN or OpenVPN configured by the company's IT department.

8. Cost Reimbursement Policy

SUPPORT ITEM	MAXIMUM SUPPORT/MONTH
INTERNET	200,000 VND
ELECTRICITY (PER QUOTA)	150,000 VND
CO-WORKING SPACE (IF APPROVED)	1,000,000 VND

9. Exceptions

- Employees with tasks requiring client meetings must attend the office or designated meeting locations.
- In case of technical issues lasting > 2 hours, employees must relocate to the office (unless prevented by unavoidable circumstances).

10. Practical Examples

Case 1: Mr. A achieves 95% KPI, has worked for 1 year, and has 100 Mbps internet. → Eligible for remote work 3 days/week.

Case 2: Ms. B, employed for 2 months. → Not yet eligible, must work from the office.

11. Frequently Asked Questions (FAQ)

Q: Can I work remotely full-time?

A: Yes, if the job does not require in-person interaction and all conditions are met.

Q: Does the company provide equipment?

A: Yes, depending on the role, the company may provide laptops, monitors, or headsets.

12. Disclaimer

The company is not responsible for damage or loss of personal equipment unless agreed otherwise. Employees must ensure data security and comply with Vietnam's Cybersecurity Law (2015).
