-

8. Frequently Asked Questions (FAQ)

Q: Can I choose a different insurance provider?

A: No, the company contracts with group providers to secure discounted rates.

Q: Do benefits continue if I resign?

A: No, insurance coverage ends when the employment relationship terminates.

Q: Can my family benefit from this?

A: Yes, family members can be added at a discounted rate, with costs borne by the employee.

9. Compliance & Disclaimer

- This policy does not replace mandatory BHYT as required by Vietnamese law.
 - All benefits are subject to the terms of the insurance contract with the provider.
 - The company reserves the right to modify or adjust support levels based on financial conditions and applicable laws.
-

10. Illustrative Scenarios

- **Traffic Accident:** Employee is hospitalized; inpatient insurance covers costs within the limit.
- **Dental Treatment:** Costs are supported up to the maximum limit; excess amounts are self-paid.
- **Chronic Illness:** Subject to the waiting period per the contract; immediate coverage is not available.
